Dear Church family, Glenn and I would like to thank each and every one of you for the many cards, phone calls, the beautiful plant sent to our home in memory of my sister Ruth Hollis and for your love and concern. You know at a time like this how much your church family means. Thanks again to each of you. In Christian Love, **Glenn and Marquita**

Adult Education Presentation

The Adult Education Program is changing. Starting **Fall of 2012**, Sunday Morning Bible Classes and Curriculum is undergoing a dramatic change. We want to encourage the entire church to be present for this presentation. Please make plans to attend, everything will be discussed in detail. **Please pray for the success and the changes being made.**

Also, if you have any desire to possibly teach an adult class...ever, please pray about your possible new role in this program. We need men who are willing to take a risk, who are bold. We need men who are willing to consider the possibilities. **Please spend time in prayer for the next few weeks. Is God calling you?**

Finally, please spend time praying for a good attitude. While change is never fun, it is sometimes needed for a congregation to grow and reach its full potential. God has blessed us richly. We want to make the most of our blessings and give the people of this congregation the best overall education experience. **Please pray for the people and leadership of our congregation.**

Sincerely,

Marc, Henry, Randal, Leslie, Mark, and Terry

Are We Able to Choose?

How much are we like Abijah and Nadab? How much like Asa?

How much are we influenced by this terrible world? How much is our own choosing?
